This time period allows employees and/or their dependents, including those who previously declined coverage, to enroll. If you offer more than 1 medical plan, employees who would like to make a plan change among the plans you currently offer may do so at this time. For groups with multiple plans, existing employees may make a plan change among the plans you currently offer. We must receive notice of any new enrollments or plan changes by the end of the month before your renewal date.

Adult Dental Coverage — If you do not currently offer Kaiser Permanente Adult Dental coverage, it may be added at renewal. Dental plan options and rates for employers are included with this renewal.
